FIRE TRUCK PULL

PULL FOR CORY

NORTON'S

EPITHELIOID SARCOMA RESEARCH!

1ST Annual Fire Truck Pull to fund Children's Cancer Therapy Development Institute in the research of Epithelioid Sarcoma!! Hosted by, the EPS Group and Wyatts!!

What: Join "Pull for Cory Norton" for his first Annual Fire Truck Pull!! Each team of 10 to 12 " Superheros" will pull in honor of, or in memory of a child affected by Epithelioid Sarcoma or any child affected by childhood cancer. Teams will not only compete for best time during the pull, but they will also compete to receive awards for their teams fundraising amount, and awards for best dressed teams!!

Why: All proceeds from the Pull for Cory Norton Fire Truck Pull will go to Children's Cancer Therapy Development Institute located in Portland, Oregon. This fundraiser will bring cutting edge, new approaches, better therapies, and or cures to children all over the world battling Epithelioid Sarcoma! It will provide a full time researcher, hoping for better advances in treatment, since, regrettably, 1978! There is zero funding for research on this rare cancer, so its in our hands to provide to help save Cory's life and many children given this rare diagnosis.

It also includes many other members of the community - Big Bear Fire, Anaheim Fire, Apple Valley Fire, San Bernardino County Fire, Cal-Fire, Big Bear Sheriffs, and Big Bear High School football players, amongst many other Big Bear businesses!!

When: Saturday, July 13th 10 am - 4pm RAIN OR SHINE!

Where: Big Bear Convention Center

42900 Big Bear Blvd.

Big Bear Lake, Ca 92315

Price: \$200 per team/10 people per team/12 people if all female or 18 and under teams

Cut off for team participation is July 4th! Funds raised will be supporting cc-TDI in efforts to further research 12655 SW Beaverdam Rd. West, Beaverton, OR 97005 /EIN: 46-5759569 *cc-TDI is a qualified 501(c)(3) charitable organization*
